Great Crowds at the Millinery Sale,
But There Are Enough Bargains for Thousands More.

The receiving room is piled high with excellent values for this sale of Millinery
and Trimmings. While you buy at the busy counters and tables, willing hands are
making ready new offers to take the places of those that go. There was some good
natured elbowing yesterday because some of you thought that quantities were more
limited. There's enough, generally speaking, to last till Saturday night. Of course,
there are certain odd pieces—very wantable—that will be gone long before.

Come To-Morrow if You Can.
